Curriculum news

Y4 spent the afternoon birdwatching in preparation for the RSPB Big Garden Birdwatch this weekend.

We saw lots of birds but the most popular one was the wood pigeon and the least popular bird was the chaffinch. It was a good experience and everyone enjoyed it- Marni and Josie

Bird Boxes

Mr Clough, father of Ava (3B) and Amelia (Rabbits) has very kindly made and donated two bird boxes to the school. We hope they will attract some birds to nest when we place them in the conservation area. Thank you Mr Clough.

Children's Mental Health week 2022

The week beginning 7th February is national Children's Mental Health week. The theme this year is Growing Together. The children will be engaging in several activities in school to support this. There is lots of information about Children's Mental Health and what you can do if you have concerns about a child on the website www.childrensmentalhealthweek.org.uk/parents-and-carers/ and www.youngminds.org.uk/parent/. Thank you for supporting this important cause.

Parent workshops

We are hoping to resume our parent workshop programme in February, covid restrictions permitting. The first two workshops are focused on Phonics and Supporting Children's Social & Emotional Development respectively. Further details have been sent separately.

Safeguarding

Holbrook Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. If you are concerned about the welfare of a child, or you think a child is being harmed, abused or neglected, you can also report your concerns using the [online form](#) on the West Sussex County Council website.
