

Dear Parents/Carers

Welcome to our weekly newsletter.

Sports Day

It was lovely to see so many parents and carers at our annual Sports Day on Wednesday. The conditions were perfect for the children's amazing sporting endeavours.

KS2 children competed in the morning and were well organised by the House Captains. There was plenty of determination and athleticism on show and the eventual winners were Dragons.

In the afternoon, EY & KS1 children enjoyed a carousel of activities before the sprint races. The results mirrored KS2 with Dragons completing the double! Well done everyone.

Boys Cricket

The year 5 & 6 boys had a lovely sunny day for their cricket tournament at Southwater CC on Thursday. They played 4 games each and had a mixture of results. What was particularly evident was the improvement of the year 6 team since they competed last year and the improvement across the course of the day of the year 5s, some of whom had never played competitively before. Well done to both teams.

Holbrook Curriculum

Just a small selection of the delicious healthy meals the Year 3 children made as part of their Design & Technology project this week.

Mrs Nye

Congratulations to Mrs Nye who was awarded the British Empire medal for services to road safety in the King's Birthday Honours list at the weekend. We are very proud of her.

FREE Anti-Bullying workshop for parents/carers

The Diana Award have organised a free interactive Anti-Bullying workshop for parents and carers on Thursday 18 July, 6.30pm. This is for parents and carers who want to learn more about supporting their child and spotting the signs of bullying behaviour, including LGBTQ+ targeted behaviour. To sign up please click on this link [SIGN UP HERE](#).

Picture News

This week’s topic for discussion is ‘What makes a good friend?’ – see below.

In the news this week

Singer, Taylor Swift, is in the midst of her Eras Tour, singing at venues all around the world. One superfan has made hundreds of Taylor Swift inspired friendship bracelets to donate to people in care homes. 11-year-old, Devon, came up with the idea to give out the handmade bracelets after seeing how happy her 92-year-old great-grandmother, Margaret, was with the one she gave her. She hopes to inspire all generations to get involved in the bracelet craze.

Things to talk about at home ...

- > Have you ever been to a show or concert? If so, what was it like? Ask someone at home about their experiences.
- > Thinking about your own friends, what is it about them that makes them special? Ask others at home about their friends.
