

## Safeguarding

Just a reminder that if you are concerned about the welfare of a child, or you think a child is being harmed, abused or neglected, the best way to report your concerns is to make a safeguarding referral using [the online safeguarding referral form](#) on the West Sussex County Council website.

The online form is the best way of reporting your concerns, but if you would prefer to report your concerns by telephone, you can do so using the following telephone numbers:

- 01403 229900 (Monday to Friday between 09:00 and 17:00)
- 03302 226664 (if you require the Emergency Duty Team outside of office hours)

## Online safety

Children and young people are increasingly turning to social media for mental health advice, but much of what they encounter online is unverified, oversimplified or misleading.

This guide explores why platforms like TikTok and Instagram have become go-to sources, and how misuse of clinical language and viral trends can distort children and young people's understanding of mental health.
