

Dear Parents/Carers,

Welcome to our weekly newsletter.

Curriculum

The choir went to the much-anticipated Young Voices concert at the O2 on Monday. The children performed alongside 8000 others, the songs that we have been practising since September! Parents joined us for the evening to watch from the audience the fantastic show. The children sang their hearts out and enjoyed this once in a lifetime experience, that has created wonderful memories. Well done, to all who went, supported and helped out on the day. Mrs Davies

Year 6 have been using the computers to create 3D models, this week learning to resize and group shapes in order to create a desk tidy.

Year 4 have been learning all about teeth in Science and through a “cracker” experiment investigated different types of teeth and the jobs that they do.

Sports news

Two teams of year 6 children went to Kingslea on Wednesday to take part in a badminton competition. It was such a fun morning including some skills before the competition began. They tried really hard, but unfortunately, we didn't win, although we didn't make it easy for them!
Mrs Taylor

Safeguarding

Please be aware that the yellow parking lines have been repainted outside of school, along Holbrook School Lane and the access road between the school and Holbrook Community Centre. Please **DO NOT** drop off/park on the lines, at any time of the day as it puts the children in danger. Traffic cones have been placed, with the blessing of the residents, in strategic positions to help improve the flow of traffic in the street. **Please do not move them.** We've also been asked to remind parents not to use the car park at the community centre as this is for parents of children at Over the Rainbow. A reminder that parking is available a 2-minute walk away at Tythe Barn and St Marks. Thank you for your support.

Left to their own devices

PARENTING IN A DIGITAL AGE

This event is not just for parents but for anyone involved with children and young people as they navigate technology. Katharine's wisdom and experience will equip you with confidence in this challenging digital age. Whilst the event is free, you must reserve a ticket.

Tickets: <https://tinyurl.com/4h3wdcv8>

or scan the QR Code:

8TH JUNE 2026
ST MARK'S CHURCH
HOLBROOK, RH12 5PU

7:30-9:30pm

GUEST SPEAKER
KATHARINE HILL
CEO of Care for the Family, and Author.

St Mark's Church

Parenting in a Digital Age

This is a FREE event for parents and anyone involved with children and young people organised by St. Mark's Church. Katharine Hill, author and CEO of Care for the Family will provide insight into what teenagers are facing, practical ways to keep your family safe online, and understanding how to keep up with the industry. It will include discussions on risks, mental health, the teenage brain and how parents can role model good use of the internet. Although this is a free event, tickets **MUST** be reserved using the QR code.

Free tea and coffee provided before the event.

Please click on the poster for further information.

Online Safety

A reminder that there is also a wealth of advice and resources regarding online safety available on the Holbrook school website [here](#).
